

Notes of a CCC Meeting 20 August 2012

### **PRESENT**

Meade McCloughan (Chair), Stefano Casalotti, John Chamberlain, Jean Dollimore, Angela Hobsbaum, Helen Vecht, Alex McKinnell (Notes).

### **APOLOGIES**

Alexandre Santacreu, Geoff Stillwell.

### **MINUTES OF THE MEETING OF 16 JULY 2012**

Circulated at the meeting, comments to Alex please.

### **ROLES AND RESPONSIBILITIES OF THE COMMITTEE**

Discussion continued from the previous meeting.

Angela Hobsbawm thought that increasing membership was one objective, but most of the others would be about cycling. Members might become more active if we had more social events. We are a friendly group, but are our meetings interesting enough to attract people? Perhaps our agendas should highlight issues (for example safety, lorries, car free routes, etc). Perhaps we should have one issue for each meeting.

### **SWISS COTTAGE**

Stefano Casalotti has got one (architectural) volunteer. We should get Mustafa Arif involved. Stefano would see how many outsiders would be interested, and if two or three people would be willing to speak at a meeting. He would contact Islington's Living Streets representative.

### **LCC CAMPAIGNS CONFERENCE**

This was on 8 September 2012 at South Bank University. Jean Dollimore would ask Alexandre Santacreu and James Brander if they could go.

### **CAR FREE DAY**

Fixed by Camden for 26 September 2012. Jean Dollimore would not be available. Agreed Jean would give Camden Stefano Casalotti's name as contact and John Chamberlain's name as deputy. We should see it as a self promotion day.

### **COPENHAGEN PROJECT**

John Chamberlain was leading this on 22 September 2012.

### **OBJECTIVES AUGUST 2012 TO JULY 2013**

Stefano Casalotti had prepared a chart proposing four major activities, each divided into sub-activities (about four in each case) each with a coordinator, targets and achievements. Two extra sub-activities, Schools and Community Centre Liaison and Increasing Local Membership, were added. Names were put against each sub-activity.

A revised chart would be prepared and put on web.

## **CARDS**

Jean Dollimore submitted two proposed cards each incorporating the new LCC logo. These were discussed, and Jean will go ahead with the printing.

## **MEMBERS MEETING**

George Coulouris and Dianne Padgett (formerly in Wandsworth group) joined us.

## **HOLBORN CIRCUS**

The latest City Corporation proposals were tabled. After discussion the consensus view was that there was no practicable better solution than that proposed. Jean Dollimore would respond indicating this, and suggesting also that the pedestrians crossing point should be positioned away from the southern end of Hatton Gardens.

## **CCC POLICY ON SEGREGATED CYCLE LANES**

During consultations on the future of Tottenham Court Road Camden Council had asked CCC to review its position on these tracks. A working party lead by John Chamberlain had discussed the implementation and future role of these facilities before putting ideas to the general membership. John tabled a paper outlining a new proposed position (which was very little different from the previous one). This was adopted subject to one slight modification, and [will be put on the web site](#).

## **OBJECTIVES AUGUST 2012 TO JULY 2013**

The plans discussed at the business meeting were tabled, further discussed, and agreed.

## **ANY OTHER BUSINESS**

The LCC Campaigns Conference on 8 September 2012 was publicised. The (rather limited) car free day on 21 September 2012 promoted by Camden Council was mentioned.

## **CHAIRS FOR FUTURE MEETINGS**
