

Notes of a CCC Meeting 17 February 2014

1. Present

George Coulouris (Chair), Stefano Casalotti, John Chamberlain, Jean Dollimore, Ben Edmonds, Steve Edwards, Helen Vecht, Angela Hobsbawm, Alex McKinnell. (Notes).

2. Apologies

Meade McCloughan (present for main meeting), Alexandre Santacreu, Geoff Stilwell.

3. Minutes of Meeting of 20 January 2014

In Minute 12 Angela Hobsbawm pointed out that actually she had written to Sustrans asking them which Camden schools were participating in Big Pedal 3. Sustrans' response had indicated that Data Protection rules prevented them from supplying this information, but if she wrote them a letter they would forward it to the schools concerned. This would be done shortly.

(Also the heading of the minutes has the wrong date: should be 20 January not 26 January.)

Otherwise OK.

4. Matters Arising

None not on the agenda.

5. Cobden Junction

Jean Dollimore reported on Camden's revised proposals. CCC had secured significant safety improvements from earlier proposals. After discussion it was agreed to support Camden's latest proposals.

6. Royal Parks Group

Angela Hobsbawm reported on the latest meeting. The 8 sketches for changes at Gloucester Gate presented to the meeting were a major disappointment: there were no dimensions or scale to the drawings, and only one of the 8 had the slightest provision for cyclists.

Colin Buttery had indicated support for a through-traffic free Outer Circle. The Group had agreed to his working proposals up with CEPC, but the meeting (CCC) agreed that we would have to keep pressure up – agreed that Angela would write looking forward to the result of his next meeting with CEPC.

7 Sail Banner

Jean Dollimore reported that a new sail banner including the new LCC logo was needed. The committee agreed to: -

7.1 spend £180 on a medium sized banner with a 16kg water base from the same suppliers as before (<http://www.bannersforall.co.uk/>).

Ben Edmonds agreed to: -

7.2 Produce a new design for the banner with the new red LCC logo and typeface; and

7.3 Order the new banner.

8. Bike Breakfast

Agreed to hold this on Wednesday 18 June 2014.

9. Planning for a special activity to support the #Space4cycling Campaign

Steven Edwards outlined an activity the 'bollards game'. Steve will investigate further ideas to be taken further at our next meeting.

Members Meeting

Sian Berry, Bridget Burrows, John Hartley, Jo Hunt, Susan Seymour, Lisa Tang and David Thomas joined us.

10. Local Elections May

The meeting worked through a list of specific #space4cycling issues to be put to the candidates for each of the 18 Camden wards on 22 May 2014. The result is shown in the attached table.

11. Next Meeting

Monday 17 March 2014 at The Sidings Community Centre, 150 Brassey Road (off Maygrove Road), London NW6 2BD – Chair Geoff Stilwell.
