**St Margaret's School – Proposed measures for Ferncroft Avenue & Platt's Lane/Kidderpore Avenue junction, NW3.**

To Chris Smith

I am writing on behalf of Camden Cycling Campaign, the local borough group of London Cycling Campaign (LCC). We have over 600 members and represent the interests of cyclists living or working in the borough of Camden. We have consulted our members by email on this issue and this response reflects the views of the membership.

We support Camden Council's proposals for improved access to St Margaret's School as follows:

- Widen the footway and provide a zebra crossing close to the school's main entrance on Ferncroft Avenue close to the junction with Kidderpore Gardens.
- Build out the footway on both sides of the road on Kidderpore Avenue at the junction with Platt's Lane.
