

# 10<sup>th</sup> Ride All Around Camden

A free, fun, easy-paced cycle ride to celebrate the Borough of Camden's many fascinating places.

**Sunday 19 June 2016**

**Bike checks from 9.30, Start 10.30**

**Bidborough Street beside Camden Town Hall**

This ride gives you the chance to enjoy some of Camden's wonderful sights and scenery. We visit every ward on Camden's boundary, then cycle through the central wards, and finish at Hampstead Old Town Hall - 22 miles in total. We pause in Regent's Park, and take a break in Golders Hill Park, where you can buy lunch, or bring a picnic.

This ride is suitable for those with a range of cycling abilities who feel comfortable cycling on the road as part of a friendly group. Under 16s must be accompanied by a responsible adult. The north of Camden is hilly but you can drop out when your legs are tired.

The ride will be marshalled by Camden Cyclists and Camden cycling instructors, and riders will be accompanied by Camden police officers.

The ride is free and you do not need to register – simply turn up on the day with your cycle!

Bring plenty of water, snacks for along the way, and a cycle lock.
