b. Treasurer's Report

(Read by Jean Dollimore on behalf of Meade McCloughan)

We received no income and spent little; LCC auditors checked Ealing and Camden, saying the system is robust for which Meade received praise. In response to a question about our total of £3900 John explained that we had received donations and that the expenses of leafleting for Tavistock Place couldn't have managed without the donation from JH, but that we really want help as well. Approval of Accounts 2018-2019: Proposed, seconded and approved unanimously.
