## Camden Cyclists News: September 2019

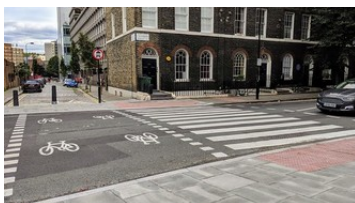

from the Camden group of  
London Cycling Campaign

Dear Jean,

Farringdon is opening up to cyclists!

We invite you to join our September meeting and to come on a ride to Fulham Palace. Finally, we remind you about our monthly bike workshop.

### Farringdon Improvements

Cycling through the Farringdon area has been enhanced by increasing cyclists' permeability whilst reducing through motor traffic. There's a Tiger crossing, which links two closed roads at Calthorpe Street.

Two-way cycling is now permitted through Eyre Street Hill between Warner Street and Clerkenwell Road. This is enabled by a closure to motor vehicles and there's also two-way cycling allowed through Laystall Street between Clerkenwell Road and Rosebery Avenue. Motor restrictions are shown on the map in the detailed report

on our website.
