

Camden Cyclists News: July 2020

from the Camden group of
London Cycling Campaign

Dear John,

Though lockdown is being eased gradually, we are continuing to meet online via Zoom for now. Our next meeting is on Monday 20 July at 7.30pm.

Kentish Town Bike Workshops remain suspended for the time being.

Latest news

Pop-up cycle lanes and tracks have been installed as a result of coronavirus and the need for social distancing, whilst using public transport is risky.

Camden has quickly put in more infrastructure than we have had in many years. We need to make sure cycling remains pleasant as the pandemic abates and we retain cycle tracks wherever possible.

Monthly meeting

Monday 20 July 7.30-9.30pm

We are again holding this meeting on Zoom.

We won't resume meetings at Primrose Hill until we feel this is safe.

Help Needed!

Camden has plans to facilitate walking & cycling and introduce Low Traffic Neighbourhoods. You can read about [Camden's plans here](#). We are expecting opposition to these measures and we'd like you to let your councillors know you support the plans. Please copy Adam Harrison, cabinet member for Improving Camden's Environment, at adam.harrison@camden.gov.uk, into your response.

Training & Mentoring

We have a webpage under development to give help on training and mentoring for new and returning cyclists. You can see it [here](#) and we will update it as we have more information.

Best wishes,

Camden Cyclists
