

Camden Cyclists News: June 2020

from the Camden group of
London Cycling Campaign

Dear John,

Lockdown is easing gradually but many of our members will still be shielded, socially distanced and otherwise restricted in activities and travel. There has been a large increase in cycling as people fear public transport increases Covid spread. Some recent road changes are shown below, next to meeting news.

Monthly meeting

Monday 15th June 7.30-9.30pm

Our meetings are being held on Zoom for now. We are still convening on the third Monday of every month at 7.30pm.

Anyone interested in cycling in Camden is welcome to join the meeting. The Zoom meeting ID is 96626341261 and a link to the meeting is [here](#). For security reasons please email us at info@camdencyclists.org.uk or phone/ text 0788 755 2391 to get the password.

AGM

We held our AGM via Zoom on 18 May. Most of our Committee indicated they were willing to continue in post and were re-elected. Berwyn Rutherford stood down and we thank her for working as Minutes Secretary.

Covid Gains

Lockdown has brought a huge increase in cycling and the need for social distancing has meant that it has been easier to gain space for cycling. Tracks, lanes and permeability measures have been installed

Point Closures and Pop Up Lanes

Suggestions Please!

Camden are using this [Commonspace map](#) to gather public comments and suggestions for post-Covid-19 active travel planning. Please add you views or 'like' some of the comments. The interesting Heat Map below shows the clustering of comments + 'likes'. Click through the image for an interactive representation with tools to focus in on areas.

Camden Safe Travel

Best wishes,
