

Camden Cyclists News: April 2021

from the Camden group of
London Cycling Campaign

Dear John,

Lockdown is finally easing and we hope to start riding in small groups soon. The Mayoral and London Assembly elections are only a few weeks away. We'll need YOUR help to keep Camden Cycle friendly. Monthly meetings continue on Zoom.

Our latest news

As lockdown eases, we will resume activities, both old and new. We'll be restarting Cycle Buddies, so new riders can learn tips & tricks with those who are more experienced. We'll be holding Dr Bike sessions, where we'll check your bike and help fix problems. We'll be riding in **SMALL** groups but places will need to be booked with ride leaders.

Chalk Farm Road

The new pop-up cycle lanes are now complete on Chalk Farm Road – that's another 540m added to the protected cycle routes in Camden making a total of almost 10.7 km.

This scheme includes three new bus stop bypasses and an upgrade to the Ferdinand Street - Juniper Crescent junction with early release for cycles and low-level cycle signals on all four arms.

This route continues up lower Haverstock Hill as far as the junction with Prince of Wales Road.

A continuation up Haverstock Hill as far as Pond Street is under consultation.

Election Action

The Mayoral and London Assembly elections take place on 6 May. We need commitment from our Mayor to extend and maintain recent gains in infrastructure and help decarbonise London. Transport is a major source of CO2 and particulate emission and we must help clean London's air.
