### 1. Introductions

Each attendee made a short personal statement relating to their interest in the Campaign.

### 2. Minutes of the 16 August meeting

[The minutes](#) of the previous meeting were read through and approved.

### 3. Matters arising from the minutes

Ema asked when the Minster Road School Street post-consultation report would be published. **Jean accepted an Action to query Camden about all the outstanding reports on School Streets.**

Steve P suggested that we should all welcome the launch on this day of TfL's Extended ULEZ scheme. (*Yay from all*).

### 4. Discussion on going back to face-to-face meetings

The discussion revealed that although there is probably a majority of members who would be happy with a return to FtF meetings at the Primrose Hill Community Centre, there is a substantial minority who would not be so for Covid-safety reasons. We therefore concluded that CCC monthly meetings should continue on Zoom with the hope that a return to FtF will be feasible in the Spring of 2022. John C and others suggested that an outdoor social event might be feasible and worthwhile to aim for in the meantime.

### 5. Visit from Councillor Adam Harrison (Cabinet member for a sustainable Camden)
