Camden Cyclists News: June 2022

Dear John,

In this month's news we have:

- Euston Road Cycle Lane
- Our next meeting on 20th June at 7:30 pm
- CCC stall at Somerstown Clean Air Day 16th June
- Highgate festival June 18th
- Anna's ride to Exploratory Park Playground and Café 10th July
- KTBW starts again on July 11th

Euston Road Cycle Lane

TfL has announced that the protected Euston Road eastbound cycle lane is to be removed. This is a massive step backward for action on cycling, road danger & climate and we believe the decision is based on dubious assumptions. The lane was put in as part of the Streetspace reaction to the Covid pandemic and was supposed to demonstrate TfL's commitment to Active Travel and Vision Zero (eradication of deaths and serious injuries from London's roads). There are no reasonable alternatives for west to east cycling anywhere between Camden Town and Bloomsbury without crossing the Euston Road twice so this is a critical part of Camden's cycling infrastructure.

LCC has made a statement [here](#); we will be preparing our own and looking at what actions can be taken to reverse this decision. If you agree, please write to the local press (CNJ, Ham&High) making similar points.
