

Great work by CCC in the last year:

- Formal responses to every consultation
- An excellent Newsletter with high readership.
- A fantastic, refreshed website.
- ~1450 followers on Bluesky.
- Quarterly Mtg with Camden Officers - Holding them accountable for the Delivery of the CTS 3 year plan.
- Meetings and conversations with Camden and contractors to sort out road closures, diversions, construction impact etc.
- Auditing of installed schemes.
- Responses to Planning Applications (cycle storage, construction plans).
- A wonderful Streets for Cycling campaign by CCC with 4 Party pledges received.

Highlights of the year

- Camden cycle counts show ~20% growth ('25->'26), with some corridors seeing over 25% increases. Build it & they will come.
- Progress on building Camden's borough-wide cycle network & several significant Consultation Scheme & safer Junction approvals. Slow progress by TfL.
- Hire bikes act as a critical resilience mode when public transport is disrupted. Hire bikes are now mainstream transport.
- e-bike growth is slow compared to the EU but cargo bikes are now trending.
- Camden is now ranked 4th in London on the Healthy Streets Scorecard. Positive progress on Healthy School Streets & the first busy School Street proposals.
- Well attended and supported KTBW with good donations.
- Some really nice family rides & the launch of Kilburn Pedals. Camden Bike Bus expanded to new schools. New West Hampstead Bike Bus.

Objectives for 2026/27

- There are record numbers of people cycling. Let's share our passion & positivity. Let's celebrate all new cycle infrastructure that is delivered & made permanent. We will meet at the Grafton once every three months.
- Support Camden Councillors (Inc. newly elected) & Officers in the fruition of the CTS objectives for a West/East route across Camden.
- Hold Camden Officers accountable for the CTS LTN aims, including; Camden Street (South), Fitzrovia Area (Phases 2 & 3), Kingsgate Road, Parkhill Road, Dartmouth Park, South Hampstead and West Hampstead.
- Support the 'Bike Bus' & 'Peddles' Rides, Event rides & feeder rides with Marshalls (LCC to organise more training inc. Parent/Marshall training for Bike Bus).
