JC summarised the minutes of the meeting on 16 March 2026. The minutes were approved.

Matters arising:

- 2.1. John attended the Camden Borough scrutiny committee who confirmed that the Fitzjohn's Avenue scheme was approved.

3. Streets for Cycling

- 3.1. The website has been updated with responses from the Green Party, Liberal Democrats and Labour;

- 3.2. The Camden Peoples Alliance & Reform have not yet been approached but they will be. CCC does not hold a list of all Parties & Independent Candidates.

- 3.3. Possible have organised a Hustings on 30th April & everyone is invited;

- 3.4. The CCC Streets for Cycling Asks are:
1. The few cycleways left to be built across Holborn and the West End are top potential routes which would make thousands of daily journeys safer.
 2. Completing the East-West cycle route through Camden Town which would link Camden to Islington and Westminster and join up with the existing North-South routes.
 3. Extending the existing north-south cycle routes from Camden Town to Hampstead, Highgate and the boroughs to the north. This would put many more people in range of safe cycle routes.
 4. Making the roads in the north-west of the borough safe for cycling would mean that more people could cycle to and from school, shops, parks and places of work. Just three key cycle routes in the north-west of the borough would open up many more daily journeys for cycling.

4. CCC Annual Accounts

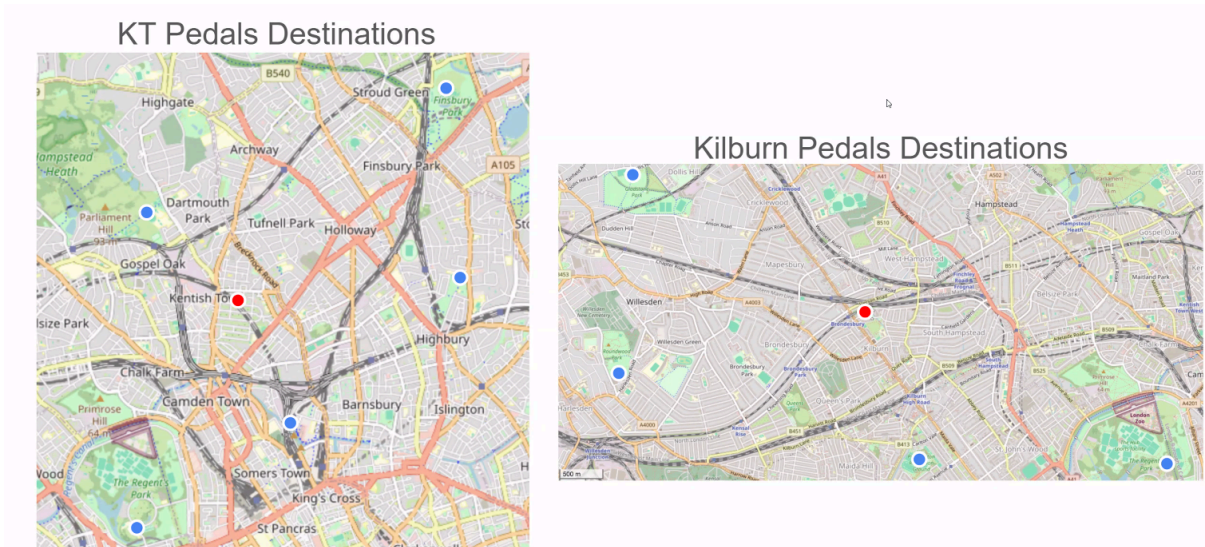

- 4.1. The treasurer (Meade) shared the Summary version of the Accounts, which had been circulated to the Committee in advance.
- 4.2. The Accounts were agreed. CCC will not apply to the grant from LCC.

5. Planning for the AGM in May

- 5.1. **Action** Steve to ask Geoff to run a quiz at the AGM at the Grafton Pub - which has been booked.

6. Rides

- 6.1. If there is a Community Event or Fair, do consider if CCC could put on Dr Bike. CCC is happy to support local community events.
- 6.2. All rides are listed on the Website;
<https://camdencyclists.org.uk/events/categories/rides/>
- 6.3. Kentish Town Pedals runs the 1st Sat of every month 10am to noon.
- 6.4. Kilburn Pedals runs the 3rd Sat of every month 10am to noon.

7. Bike ramp at Kentish Town

7.1. The meeting discussed the use of a bike ramp at Kentish Town but concluded that fully accessible platforms i.e. lifts would be the correct solution (not ramps).

8. AOB

8.1. There being no further business to discuss the meeting was adjourned at 21:00.
